ADDITIONAL  
SKILL ACQUISITION  
PROGRAMME

## ADDITIONAL SKILL ACQUISITION PROGRAMME

(A joint initiative of General & Higher Education Departments, Govt. of Kerala)

9612

Thiruvananthapuram

Dated 10-03-2017

To

The Director, Collegiate Education, Govt of Kerala

Madam,

**Ref: Seeking support for smooth conduct of ASAP skill classes during summer vacation \_reg.**

Additional Skill Acquisition Programme, a joint venture of Department of Higher Education and General Education is intended to impart skill training with the objective of building a pool of skilled youth in line with the demands of industry. ASAP which started the journey on November 6<sup>th</sup>, 2012 with a handful of institutions, had widened its network by adding more institutions and offering skill courses based on industry demand. ASAP could extend its reach and scale of operation only with the help of Directorate of Public Instruction, Directorate of Higher Secondary Education and Directorate of Collegiate Education and support extended personally by you.

ASAP is entering its 5<sup>th</sup> year of activities, bringing to attention some important issues that need immediate attention and intervention.

Skill Development Centers (SDCs) schedule regular as well as summer skill programme during April- May period. Summer Skill programme envisages a crash course model of training and 3-5 hours class will be scheduled daily for the timely completion of the course. Apart from that regular skill batches will be scheduled daily for 3 hours. Summer vacation is a pertinent period for ASAP as 50% of the regular course as well as 100% of the summer skill is envisioned to be completed. Timely completion of course is required for proper planning of internship which is a mandatory part of curriculum.

With regard to the Evaluation camps in April, during the Co – ordination Committee meeting held under the Chairmanship of Principal Secretary, Higher Education, it was decided that both SDCs and Centralised Valuation Camps should remain functional at the same time. If there is any centre where there is acute shortage of space, the space of the High School could be made use, so that both activities remain functional.

It is requested that suitable instruction to be issued so that both skill classes and evaluation camps remain functional, during the aforesaid period, at all the Skill Development Centers.

Appending herewith the list of 121 Skill Development Centers for your reference.

I may request you also to issue necessary directions to the concerned authorities to extend support for the smooth conduct of the programme during the summer vacation.

Yours faithfully,

Dr. Reju M T IAS  
Chief Executive Officer
