FOSTERING LINKAGES IN ACADEMIC INNOVATION AND RESEARCH

A New Initiative in Higher Education, Government of Kerala

Programme for 2019-20

Capacity Building for Faculty Members in Academic innovation and Research excellence

The Fostering Linkages in Academic Innovation and Research (FLAIR) started in the year 2013-14, and as per previous reports has already trained more than 650 newly inducted faculty members of Colleges and University Departments through Induction Training Programme, Short term Trainings in national institutions and Internships in National/International Institutions. Ninety IQAC Coordinators of Arts and Science Colleges have also been offered training in quality assurance in Higher Education. The programme has offered one-month internships to forty-seven faculty members in reputed UK Universities and to thirty-six faculty members in national institutions.

The programme was restructured during the year 2018-19 based on the learning experience from the previous years. The programme focussed on three areas namely, Training and Internships (T&I), Community Engagements, and Promotional Schemes to encourage meritorious work. Capacity building workshops in teaching and research; was focused in training and internship, whereas, assistance for attending national and / or international conferences (with paper/oral presentation) workshops and seminars was the focus in promotional scheme. The programme was awarded the prestigious SKOCH award for innovation. In the year 2018-19 a total of 137 faculty members were trained as part of the programme in various institutions such as IIT-M, ISEC-Bangalore and EFLU, Hyderabad.

The programme has a major change in 2019-20. The programme is restructured to reach more faculty members and so the selection criteria will be changed from “having less than 5 years of service” to having at least 5 years of service left before retirement. The programme will focus on trainings and assistance for attending national and / or international conferences (with paper/oral presentation) workshops and seminars.

General Conditions

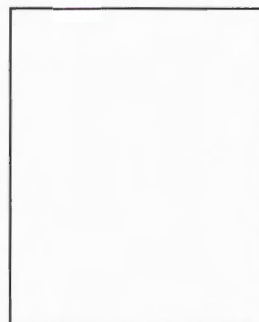

Criteria for faculty members joining the programme

1. Must belong to Government/Aided Arts and Science Colleges, and University Teaching Departments.

2. Should be having at least five years of service left before retirement. (Those faculty members who were selected and could not attend due to unavoidable circumstances (Genuine reasons) for FLAIR in the previous turn can also apply.
3. Assistancess for attending conferences/workshops/Seminars will be provided for faculty members having at least five years of service left before retirement. Preference will be given to junior faculty members (with more years of remaining service) if selection is necessary.
4. In all programmes of FLAIR weightage / preference will be given to faculty members from government colleges.

Fostering Linkages in Academic Innovation and Research (FLAIR)
A New Initiative of the Department of Higher Education, Government of Kerala

Proforma to be filled by faculty members willing to join the FLAIR Programme

PART A

1.	NAME (In Capital letters)	
2.	Designation
